■ NSEE is committed to Going Green

NSEE is supporting the initiatives of the Green Meetings Industry Council to reduce the impact our meeting has on the environment by:

- Posting the conference and session handouts and registration information on the NSEE website prior to the conference. The attendee badge and onsite program will be the only handouts provided at the conference. Reducing plastic waste by eliminating the individual bottled water. Water stations will be set up throughout the conference
- Using cloth napkins versus paper, wherever possible
- Replacing trash cans with recyclable bins
- Using Eco-Friendly cleaning products
- Purchasing local produce when possible
- Aerators in all guestroom sinks-reducing water use by 50%
- Automated motion detection to conserve energy in lighting rooms when occupied
- If you have any additional ideas to contribute to *NSEE's Going Green Initiative*, please contact us at nsee@talley.com

Reflection Breaks

Gather with your colleagues to discuss what you are learning during our Reflection breaks, scheduled for **Thursday, October 7** from 10:15AM – 10:45AM and 3:15PM – 3:30PM and **Friday, October 8** from 11:00AM – 11:30AM.

Additionally, there will be book signing opportunities during the Reflection Breaks following the keynote presentations. Join us for these special breaks!

Box Lunch & SIG/Network Meetings

Network Meetings will be scheduled over breakfast on Friday as 60-minute roundtable sessions.
